UST-14, SUMMARY OF DISBURSEMENTS - BUSINESS ONLY

INSTRUCTIONS: Before completing this page, prepare a UST-14 CONTINUATION SHEET (next page) for each business account. The disbursement total from each CONTINUATION SHEET will be used to complete this SUMMARY OF DISBURSEMENTS.

The term "disbursements" means all payments made for the benefit of the bankruptcy estate, regardless of whether the debtor or another party on behalf of the debtor made the payments. "Disbursements" includes payments by check or cash for cost of goods sold, equipment purchases, payroll and payroll-related taxes and expenses, leases, other operating costs, and debt reduction. It also includes payments made pursuant to joint check arrangements and those resulting from a sale or liquidation of the debtor's assets. The only transactions normally excluded from "disbursements" are transfers from one account to another within the same reporting month.

If you have questions about how to compute your disbursement total, call the Bankruptcy Analyst assigned to your case at (206) 553-2000.

Please be advised that, pursuant to the Debt Collection Improvements Act of 1996, Public Law 104-134, Title III, § 31001(i)(3)(A), 110 Stat. 1321-365, codified at 31 U.S.C. § 3701, the United States Trustee intends to use the debtor's Taxpayer Identification Number ("TIN") as reported by the debtor or debtor's counsel in connection with the chapter 11 bankruptcy proceedings for the purpose of collecting and reporting on any delinquent debt, including chapter 11 quarterly fees, that are owed to the United States Trustee.
